OTHER COMMENTS*****

Civil # 4802 Union & East Jordan Irr. vs. Richards Irr. Co. et al (Judge C. W. Morse, June 16, 1910 see parag. #28). The decree awards all water to ditches, rather than to individual users. There is no North Despain Ditch Co. This right represents 0.2 cfs primary water.

57-9000 is the original primary right and 57-9012 is the original surplus water right under the decree. 57-9000 and 9012 would have been used supplementally on the same land. The total irrigated acreage has not been established but hydrographic survey maps from 1968 appear to show 45.8 acres irrigated from the North Despain Ditch, which may also include North Despain Extension acreage.
